

Qafco to supply 18,000 MT of Melamine to Europe

Hamburg, May 17th, 2010

Qatar Fertilizer Company [QAFCO] has signed an agreement with HELM, Germany to export and distribute 18,000 MT Melamine to Europe.

Speaking on the occasion, QAFCO Managing Director, Mr. Khalifa Al Sowaidi said. "The agreement was in line with QAFCO's marketing strategy to expand its product reach to the European markets." He further added that the agreement will be a milestone for future business relationships in the region.

Mr. Hartmut Glaser, Executive Board Member from HELM added: „This is a major milestone in the cooperation between QAFCO and HELM and in the development of HELM towards a leading global marketing company for Melamine.”

The agreement was signed by Mr. Khalifa Al Sowaidi. and Mr. Hartmut Glaser, Executive Board Member from HELM. The ceremony was attended by Mr. Yousef Al Kuwari, QAFCO Marketing Manager, Mr. Abdulla Al Kuwari, QAFCO Melamine Sales Manager, Mr. Uwe Paulsen and Mr. Sami Jayousi from HELM.
